ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

26 JANUARY 19, 2010

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

APPROVAL TO AMEND CONSULTANT SERVICES AGREEMENT WITH CALIFORNIA MENTAL HEALTH DIRECTORS ASSOCIATION (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Request approval to amend a consultant services agreement with the California Mental Health Directors Association, for Mental Health Services Act consultation and technical assistance.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health, or his designee, to prepare, sign, and execute Amendment No. 6, substantially similar to the Attachment, to the existing Department of Mental Health (DMH) consultant services agreement No. MH050011 with California Mental Health Directors Association (CMHDA) to provide additional consultation and technical assistance due to an increase in workload, and for the Art of Daybreak Program. This will increase the Agreement's Total Compensation Amount (TCA) by \$131,627, from \$160,700 to \$292,327, for Fiscal Year (FY) 2009-10 only, funded by Mental Health Services Act (MHSA) funds. The Amendment will be effective upon Board approval through June 30, 2010.
2. Delegate authority to the Director, or his designee, to prepare, sign, and execute future amendments to this Agreement and establish as a new TCA the aggregate of the original Agreement and all amendments through and including this Amendment, provided that: 1) the County's total payments to CMHDA under this Agreement for the applicable fiscal year will not exceed an increase

of 20 percent from the applicable Board-approved TCA; 2) any increase will be used to provide additional services or to reflect program changes; 3) your Board has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Executive Officer (CEO), or their designee, is obtained prior to any such Amendment; 5) the parties may, by written amendment, mutually agree to reduce programs or services and revise the applicable TCA, without reference to the 20 percent limitation; and 6) the Director of Mental Health notifies your Board of Agreement changes in writing within 30 days after execution of any amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended actions will allow CMHDA to hire an additional staff person to support the increased workload experienced as the MHSA is implemented. CMHDA acts on the County's behalf to make policy and fiscal recommendations to the State Department of Mental Health, the Mental Health Oversight and Accountability Commission, the California Mental Health Planning Council, and other organizations as it relates to county MHSA policy issues. Their policy, fiscal, and advocacy work related to MHSA regulations is invaluable to counties.

The estimated additional consulting cost of \$99,227 represents the County of Los Angeles' share of CMHDA's statewide efforts to provide expertise in the area of public policy development, data analysis, government relations, and advocacy, as it relates to overall MHSA planning and implementation. As a statewide organization, CMHDA collaborates with State agencies, including the State Department of Mental Health, on issues of importance to California's county mental health agencies, and has been extremely instrumental in helping DMH to understand the complexities of the various plans in preparation for implementation. This increase in funding will allow CMHDA to provide the same type of services at an increased level of support and hours to accommodate additional workload.

An additional \$32,400 is requested to implement the Art of Daybreak Program. The program will utilize MHSA Prevention Early Intervention (PEI) funds for consultation and technical assistance from CMHDA consultants to develop an effective means of reaching the community through art to overcome stigma and discrimination towards individuals with mental illness.

Board approval is necessary to amend the Agreement with CMHDA as the total recommended increase of \$131,627 exceeds DMH's delegated authority.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County Strategic Plan Goal 1, Organizational Effectiveness, and Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

The \$131,627 increase for FY 2009-10 is fully funded with MHSA funds and is included in DMH's FY 2009-10 Adopted Budget. Of the total, \$99,227 is funded by the MHSA Community Services and

Supports (CSS) Plan and \$32,400 is funded by the MHSA PEI Plan. CMHDA's revised TCA will total \$292,327 for FY 2009-10. There is no increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Currently, DMH has a consultant services agreement with CMHDA, a non-profit private agency, extending through June 30, 2010, for consultation and technical assistance on educational arts therapy programs in the juvenile halls and Probation camps. In addition, DMH has contracted with CMHDA since May 9, 2000 to provide consultant services for specialized mental health organizational and systems planning, development, and implementation of services under the MHSA.

The Amendment format has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. Administrative staff of DMH will continue to administer and supervise the Agreement and ensure that the Agreement provisions and Departmental policies are being followed.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The provision of expert consultation and technical assistance will improve the efficiency and effectiveness of mental health services. As a result, the recommended actions are expected to improve the quality and quantity of services for the Department, its partners, and stakeholders.

Respectfully submitted,
